Subject: Release of Surety Bond, Reilly Industries, Incorporated, Bonneville Plant –  
Reilly Wendover Mine, M/045/002, Tooele County, Utah

Dear Mr. Foy:

In September 17, 2001, the Division received a \$49,100 surety bond issued by Travelers Casualty and Surety Company of America and a Reclamation Contract for the Bonneville Plant – Reilly Wendover site. There were corrections that were required on those documents (namely the name on the surety was Reilly Tar & Chemical Corp, and the Contract had Reilly Industries, Inc.).

Those corrections were never made by Reilly or the surety company and those documents were never finalized. Apparently, because the site was going to be transferred, the time and energy went into the transfer process.

On March 31, 2004, the Division finalized the transfer from Reilly to Intrepid Wendover Potash. In order to complete the transfer process, Intrepid was required to replace the \$49,100 reclamation surety. When the transfer was completed, the Division inadvertently neglected to return Reilly's original surety.

We have enclosed the original Surety Bond for your disposal or return to the surety company. We apologize that this error occurred.

Sincerely,

Daron R. Haddock

THE MINED LAND RECLAMATION ACT

SURETY BOND

\*\*\*\*\*

The undersigned Reilly Tar & Chemical Corporation, as Principal, and Travelers Casualty and Surety Company of America, as Surety, hereby jointly and severally bind ourselves, our heirs, administrators, executors, successors, and assigns, jointly and severally, unto the State of Utah, Division of Oil, Gas and Mining (Division) in the penal sum of Forty Nine Thousand One Hundred and No/100 \*\* dollars (\$49,100.00 \*\*\*\*).

Principal has estimated in the Mining and Reclamation Plan approved by the Division on the 08 day of June 1988 ~~XXXX~~, that 87,821 acres of land will be disturbed by mining operation in the State of Utah.

A description of the disturbed land is attached as "Attachment A" to the Reclamation Contract, of which this document is an integral part.

The condition of this obligation is that if the Division determines that Principal has satisfactorily reclaimed the disturbed lands in accordance with the approved Mining and Reclamation Plan and has faithfully performed all requirements of the Mined Land Reclamation Act, and complied with the Rules and Regulations adopted in accordance therewith, then this obligation shall be void; otherwise it shall remain in full force and effect.

If the Mining and Reclamation Plan provides for periodic partial reclamation of the disturbed lands, and if the lands are reclaimed in accordance with such Plan, Act and regulations, then Principal may apply for a reduction in the amount of this Surety Bond.

In the converse, if the Mining and Reclamation Plan provides for a gradual increase in the area disturbed or the extent of disturbance, then, the Division may require that the amount of this Surety Bond be increased, with the written approval of the Surety.

This bond may be canceled by Surety after ninety (90) days following receipt by the Division and Principal of written notice of such cancellation. Surety's liability shall then, at the

Principal and Surety and their successors and assigns agree to guarantee said obligation and to indemnify, defend, and hold harmless the Division from any and all expenses (including attorney fees) which the Division may sustain in the collection of sums due hereunder.

Surety will give prompt notice to Principal and to the Division of the filing of any petition or the commencement of any proceeding relating to the bankruptcy, insolvency, reorganization, or adjustment of the debts of Surety, or alleging any violation or regulatory requirements which could result in suspension or revocation of the Surety's license to do business.
